## WHAT PEOPLE ARE SAYING ABOUT HONK!

**A Music Lover Says:** "I have to admit that when I first heard about Honk I was a bit skeptical. Don't let the premise fool you. It's a clever re-working of a well-known tale that's just as much for adults as it is for kids."

**Emilie Gausman says:** "I am currently involved in my high school's production of Honk. At first I was skeptical but once the whole cast read through it and sang all the songs my mind set has changed one hundred percent. The music itself is great as well as the dialogue...a great example of British Humor."

**Andrea Rich Says:** "My local theatre group just started this and I was cast as Drake. I am really enjoying this show. Everything about it is hilarious and touching. Perfect show for all ages, I guarantee you will love this show!"
